

milestone | XProtect® UPGRADE

LIMITED TIME OFFER

Get an easy passage from On-Net Surveillance Systems (OnSSI) VMS products or SeeTec branded VMS products to Milestone Express+, Professional+ or Expert* with additional added value.

Upgrade your current VMS to the world class Milestone XProtect products.

- Get superior service and support
- Secure lifetime value of your VMS installation
- Easy passage to future technology

With this offer, you can now upgrade to Milestone's market-leading video management software* for the cost of two years of Care Plus on the upgrade path product.

Additionally, you will also benefit from:

- High-performing recording server
- Efficient media handling
- Easy installation and management
- Powerful investigation tools
- Exceptional IT security
